The eclipse of our journey through the 1960s concludes with an extraordinary finale with songs from the four lads that started it all – **The Beatles!**

“When we came up with the idea for a finale, we posed the question, ‘What if the Beatles had to perform their music today only as the four-piece band they were?’”, explains guitarist Lee Scott Howard. The result by this “Fab Foursome” is truly astounding.

The British Invasion Years show performs nation wide & has shared the stage with legendary artists such as The Beach Boys, Ringo Starr & his All-Starr Band, Leon Russell, & many, many more.
